# Pristine Patterns

Transform any interior with our Patterned Wall Panels, where subtle motifs bring texture and artistry to your space. Each pattern is thoughtfully crafted using natural stone, designed to blend seamlessly into modern or classic settings while elevating the ambiance with timeless sophistication. Let elegant detailing make your walls stand out.

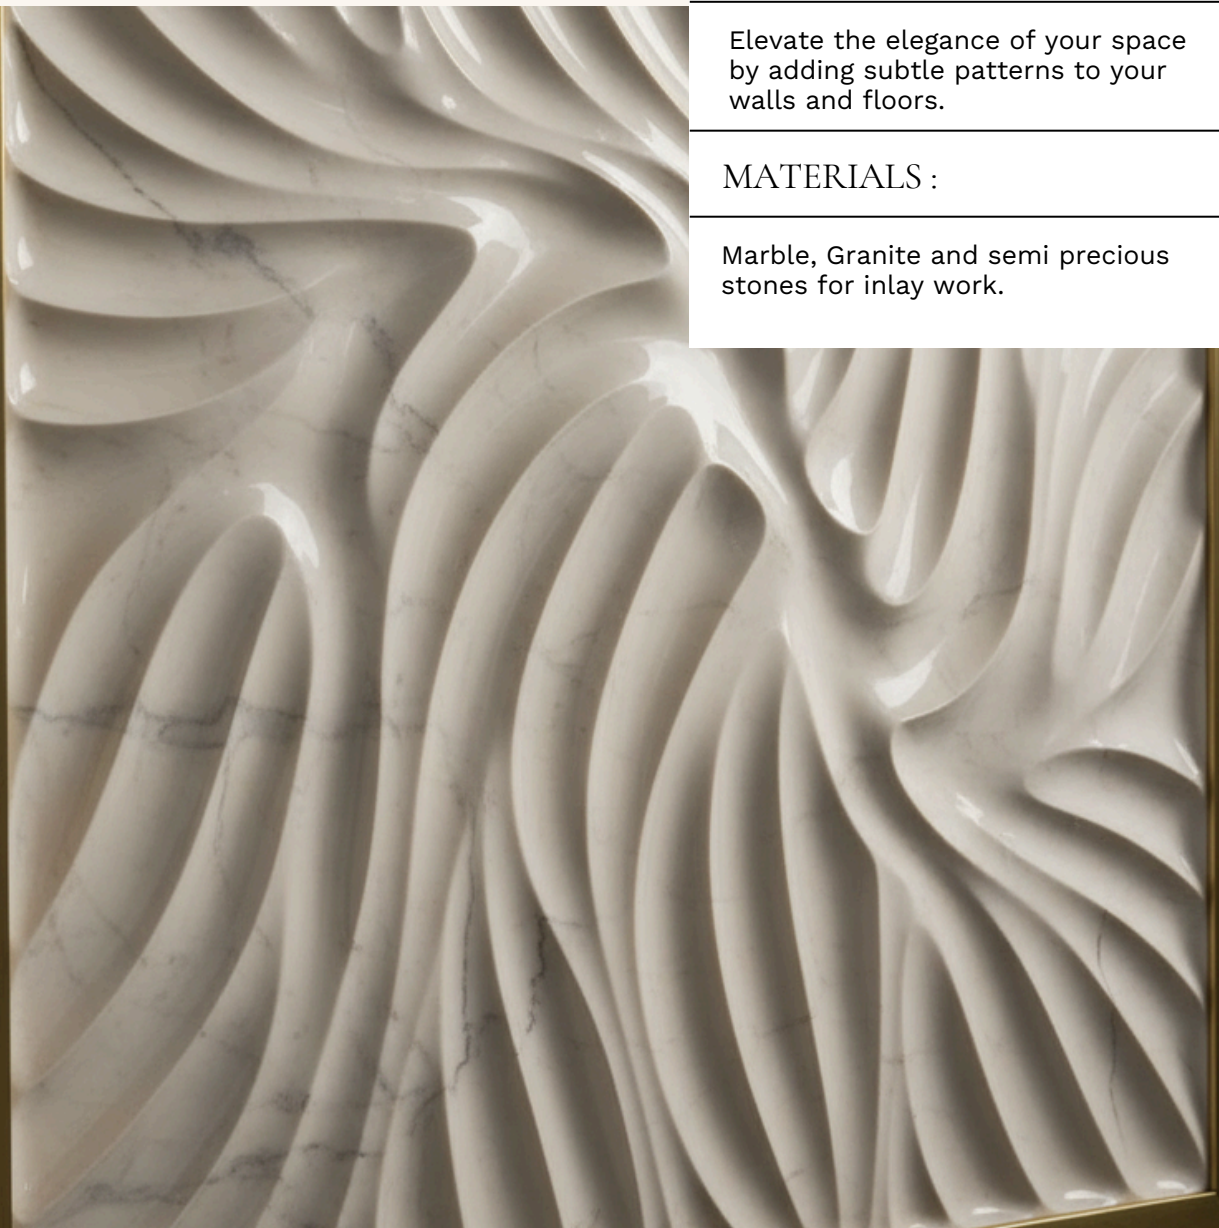

Use Cases: Ideal for living rooms, entrance halls, or commercial spaces looking for a luxurious upgrade. Patterned panels also make excellent accent walls and flooring enhancements, adding a bespoke touch of elegance.

## SINGLE-PATTERNED

Elevate the elegance of your space by adding subtle patterns to your walls and floors.

## MATERIALS :

Marble, Granite and semi precious stones for inlay work.

# Cosmic Chaos

Break free from monotony with our Multi-Patterned Wall Panels, a harmonious fusion of dynamic designs and chaotic beauty. These panels layer contrasting patterns and stone types, resulting in a visually captivating experience. Ideal for lively spaces and creative environments, they inject energy and character while celebrating the unpredictable artistry of nature and craft.

Use Cases: Perfect for feature walls in boutique hotels, artistic offices, or modern homes wanting a bold statement. These panels also suit large lobby areas or a huge wall right in the middle of living room, across an entrance or behind a reception where visual impact and storytelling through design are paramount.

## MULTI-PATTERNED

Break the monotonous nature of your living space with a little bit of chaos.

## MATERIALS :

Marble, Granite, Sandstone

# Incredible Inlay

Experience the pinnacle of craftsmanship with our Inlay Wall Panels, where precious and semi-precious stones are intricately set into marble or granite backgrounds. Use of mother of pearl as pairing with marble embeds a surreal charm to the design. Each piece is a masterpiece of detail, blending vibrant colors and traditional techniques to create unforgettable visual stories on your walls. The result is an artful expression that adds luxury, depth, and a touch of heritage to any room.

Use Cases: Commonly used as Mandir backdrops or sacred space accent walls, these panels also serve as stunning tabletops, furniture backplates, or feature panels in luxury residences and boutique hospitality interiors.

## INLAY WORK

Dive into the world of inlay, adorn your wall with precious and semi precious stone inlay or paint.

## MATERIALS :

Marble, Granite and more...

# Picture Perfect

Breathe life into your interiors with our Picture Wall Panels, featuring custom graphic-carvings etched in stone. These panels turn your chosen design, memory, or artwork into a lasting, tactile experience, skillfully carved into marble or granite. Perfect for personal, commercial, or spiritual spaces, every Picture Wall Panel serves as a permanent celebration of your story and style.

Use Cases: Ideal for personalized home decor, corporate branding walls, gallery spaces, and temples, turning meaningful imagery into stone art that lasts a lifetime.

## PHOTO-CARVING

Breathe life into your walls by carving your favourite design onto a beautiful stone wall panel.

## MATERIALS :

Marble, Granite, Sandstone

# Jestful Jhali

Add old-world charm and intricate beauty to your home with our Jhali Wall Panels. Inspired by traditional stone latticework, each piece is expertly designed to let light and air play through ornate patterns—ideal for balconies, dividers, or half-walls. Revel in the glorious vintage feel and artisanal finesse, bringing architectural poetry to contemporary living.

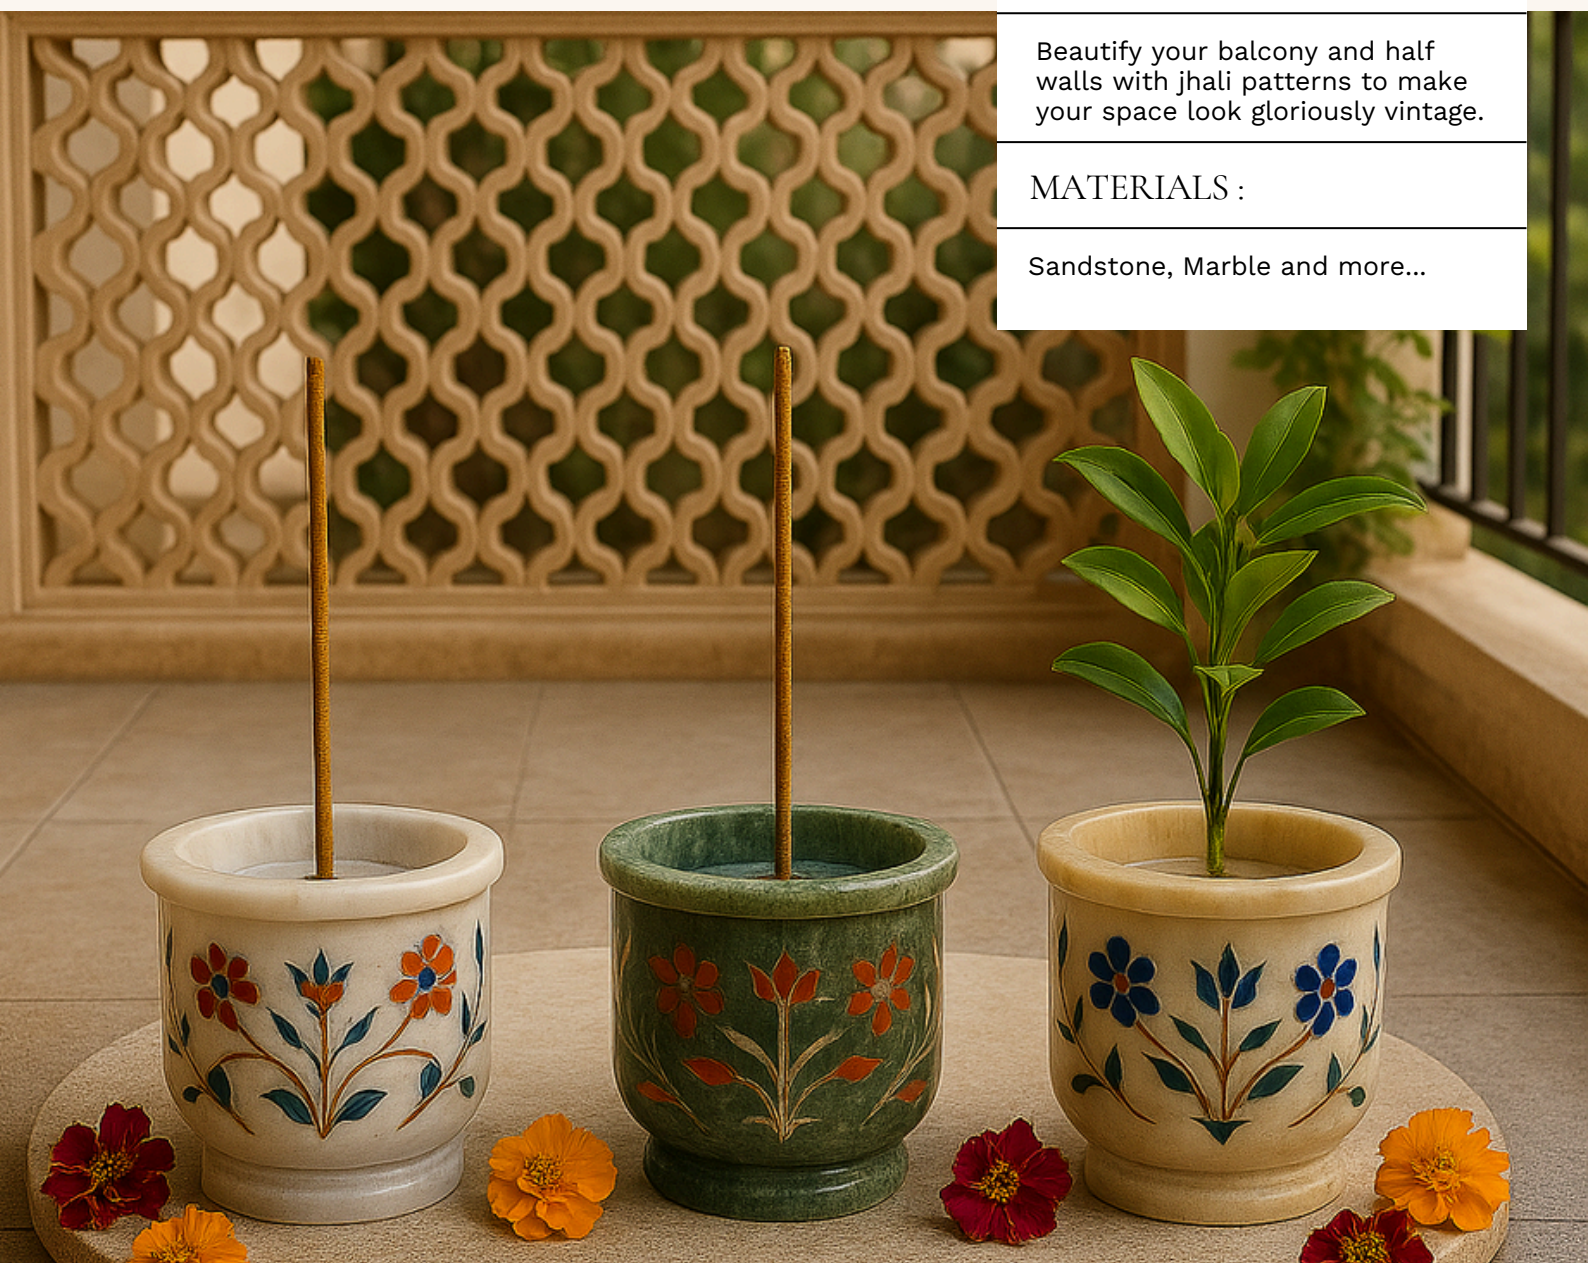

Use Cases: Commonly used as balcony screens, room dividers, or half walls. They add vintage grace to modern homes and traditional structures alike, enhancing ventilation and aesthetic appeal.

## JHALI PATTERN

Beautify your balcony and half walls with jhali patterns to make your space look gloriously vintage.

## MATERIALS :

Sandstone, Marble and more...

## FLUTING & MOLDING

Make a statement, bring boldness to your space with a fluted pattern on your marble wall.

### MATERIALS :

Marble, Granite, Sandstone

# Fabulous Fluting

Make a statement with Fluting Wall Panels, where bold vertical lines create movement and drama in fine stone. The rhythmic grooves highlight the unique texture of marble or granite, casting shadows that change with the light. These panels effortlessly blend art and structure, transforming ordinary walls into sculptural features that exude both luxury and modernity.

Use Cases: Perfect for sophisticated commercial interiors, elegant residential spaces, and high-end hospitality environments where architectural details become focal points. Fluting panels also work well in feature corridors and lobbies.
